

**Youre The Only One**  
**Steppenwolf**

Intro: C G/B Am D C G/B Am D

C G/B Am D C  
Dry your eyes, come sit close to me  
G/B Am D C  
Lay your head on my aching chest  
G/B Am D C  
And let me try to console and comfort you  
G/B Am D  
It s my fault, i can do no less

(Repete Intro)

C G/B Am D C  
All night long we ve been talkin bout  
G/B Am D C  
All the time that my work will take  
G/B Am D  
But all is know is , i work for two  
C G/B  
And if music ain t my life  
Am D  
It s still the living i make  
C G/B Am D  
So lie here tonight in the shelter of my arms  
C G/B Am D  
Nothing will ever take your place

C G  
You re the only one that knows me  
C G  
You re the only one i trust  
C G D  
You re the only one that matters in my life  
C G  
You re the only one i lean on  
C G  
You re the only one i need  
C G D  
You re the only one that s ever been enough  
C G/B Am D  
Oh, you re the only one i ever loved

(Repete Intro)

C G/B Am D C  
Soon i ll go back to battle

And soon i ll wear the right face for the part  
But when it s over i m coming back to you girl  
For you re the only one that knows me by heart  
So lie here tonight in the shelter of my arms  
Nothing will ever take your place

You re the only one that knows me  
You re the only one i trust  
You re the only one that matters in my life  
You re the only one i lean on  
You re the only one i need  
You re the only one that s ever been enough  
Oh, you re the only one i ever loved

(Repete Intro)

for all those days you lived alone  
And all those nights when you were left behind  
And all those times you felt left out  
I can t repay but to make these moments count  
So lie here tonight in the shelter of my arms  
Nothing will ever take your place

You re the only one that knows me  
You re the only one i trust  
You re the only one that matters in my life  
You re the only one i lean on  
You re the only one i need  
You re the only one that s ever been enough

**C            G/B            Am            D**

Oh, you re the only one i ever loved
