

One For Sorrow Steps

One For Sorrow - Steps

Ok, I know this might seem really sad, but hidden beneath all the shit production and usual manufactured crap is a good song...Basically identical to The Winner Takes It All by ABBA

You can surprise people with it - it sounds good picked on an accoustic. It suits my voice to capo this at 2, but play around with it and tell me what you think.

Well I m one for sorrow
Ain t it too too bad about us
