- Strumming Pattern: Down Down Down Down Up
- Hit the low e note twice, strum the whole chord, strum the four highest strings of the chord down up quickly. If you listen along with the song this should be easy to recognize.

- The entire verse is just a repeat of the intro
 - The D right before the Cadd9 has a quick hammer on with the pinky (dsus4) into the cadd9
 - The transition from the cadd9 into the repeating verse goes kinda like this (it s pretty slow)

```
|-----3---
|-----3---
|-----0---
|-----0---
|-3p2p0-----2---
|-----h3--3----
```
