

When We Made Art  
Stereo Guy

[Intro]

**F G C F**

[Verse 1]

**F** **G**  
I wish I could see you one more time,  
**C** **F**  
and tell you all the things that you like.  
**F** **G**  
I just wanna tell you that you are my favorite memory  
**C** **F**  
from those days I was all alone.

[Pre-Chorus]

**F** **G**  
But you keep on talking on the bad things we have done,  
**C** **F**  
just tell me if you miss me when I tell you that Iâ€™m gone.  
**F** **G**  
Oh baby, Iâ€™m trying all my best to give you shelter on my chest,  
**C** **F**  
but I get itâ€¦ Iâ€™m not the best.

[Chorus]

**F** **G**  
Iâ€™ll miss this, Iâ€™ll miss that, Iâ€™ll miss when we made art;  
**C** **F**  
lay down on my backyard while you date with some guys.  
**F** **G**  
But I still, I still recall.  
**C** **F**  
Yeah I still, I still recall.

[Instrumental]
