A beat, beat, b beat, beat, beating,
A beat, beat, b beat, beat, beating,

Hey Hey, beautiful the sunshine shines oh oh so bright, alright.
Layed back I ll spend the night just staring at, you.

For every grain of sand, that you drew me pictures in.
There was one for every time that my, my heart dropped again.

So baby keep my heart beat b beat beat beatin ,
And the soul reason I keep believing,
We re gonna die like this you know, oh oh oh.

Bm [stop]
Heart, beat, b beat, beat, beating,

Close your eyes, don t say a word.
You re way too beautiful you heard.
The way, the way my heart keeps beating, beating b beat beat beating.
For every grain of sand, that you drew me pictures in.
There was one for every time that my, my heart dropped again.
