her knight approaches us on foot

left his sidekick drink at the brook

G6 C (gentle) then same as b4
looking good not looking back
knight of hers took her off to dance
I get the eye as I lift my glass but not for the last time
she looks again I start to shake
my eyes are twitching my legs are fake
glance behind me for safety s sake
to see my girlfriend s tongue in the face
of a friend who is far from a man
should I hide should I run
must have seen what I ve done
I decided to stay like the look on her face
what I thought was the case was an easy mistake

Chorus

I just like to try some carrot cake and wine
can t I try taste my carrot cake and wine
and why should I lie
why can t I try
taste some
buy my
try some
carrot cake and wine

im not 2 sure about the chrous bit but the rest is spot on.
this is my 1st tab so its most likely crap.
