Nice song from the greatest pop band! It s quite easy to play (with a lot of disto), but placing the lyrics on music is quite tricky. Anyway, listen to the song to know how to play it as the chords are approximatively placed on my tab. I m not sure of the Bm in the so-called pre-chorus, so if you find a better chord, e-mail me.

Chord formation:  
-----

**A** 577655    **Bm** X24432    **D** X57775    **G** 355433

Verse #1:  
-----

**A**    **D**  
I gotta lose weight
