E-----|
```

~ = vibrato

Slight palm mute the Intro & All Verses. You may wanna do it when playing the C in 1 too, up to you on what sound you get.

The Bridge, it varies throughout between Am & G as Kelly uses that same stab a few times the song. If you feel its a G then play the G but thats the only thing im not 100% certain on, the rest is correct & the live version.
