Help me (She's out of her mind)
Stereophonics

   Great tune, very catchy riff

Chords used: **A7**, **D7**, **A5**, **E/G#**, **G** and **D/F#**

Intro: **A7** **A7** **D7** **D7**

Verse1
A7
Dancing
          D7
In the mirror
                  A7
You could see her from a mile man
      D7
She was alright
               A7
She looked right over her shoulder
     D7
Right at me
                   A7
And I was falling throught the floor now
        D7
She came over to me yeah

Chorus
A5   **E/G#**
Help me oh help me
    G   **D/F#**
She s out of her mind
A5   **E/G#**
Help me oh help me
      G   **D/F#**
Some - body tonight

Verse2
A7   **D7**
Laughing, all night
                 A7
Yeah she could tell a funny story
          D7
She could stay up all night
               A7
Yeah she was something to remember
       D7
She was black and white
        A7
Oh we did it on a sunbed

```
             D7
And she did alright ah

Chorus
A5          E/G#
Help me oh help me
        G           D/F#
She s out of her mind
A5              E/G#
Help me somebody
     G              D/F#
Oh help me tonight

A7   A7   D7   D7

Verse3
A7                        D7
Dancing around a low-lit light
                    A7
Running rags over her shoulders
          D7
Red chili lights
                          A7
She d drink you underneath the table
                  D7
She hold you heavenly tight
                      A7
Slap you right across your white face
                  D7
She make you cry like a child oh

Chorus
A5          E/G#
Help me oh help me
        G           D/F#
She s out of her mind
A5              E/G#
Help me so help me
      G          D/F#
Some body tonight

A7   A7   D7   D7

Verse 4
A7                      D7
Crazy out of her mind
                          A7
You wanna shoot her wanna love her
                  D7
You can t make up your mind
                      A7
You wanna tell her all your stories
              D7
```

```
You wanna open your mind
                            A7
You wanna show her how your heart works
                  D7
But she aint got the time

Verse 5
        A7              D7
Your fighting all the time
                              A7
There s nothing working nothing gaining
                  D7
It s just a waste of time
                        A7
You re trying hard to remember
                  D7
All the beautiful times
                        A7
But you re clouded by bullshit
            D7
All of the time

Verse6
            A7                    D7
Then just lovin  on a saturday night
                        A7
And making love under a blanket
                D7
With the telly on loud
                          A7
You wanna show her that you love her
                      D7
But there s sex on your mind
                              A7
You re making love from watching movies
                    D7
I think im doing it right

Outro:
A5                  E/G#
Help me oh help me
      G              D/F#
She s out of her mind
A5            E/G#
help me so help me
      G        D/F#
Somebody tonight

Repeat to fade
```
