

In A Moment
Stereophonics

Intro: D E E F

Em

Don t know where you re going

Em

Used to be a star

D

And everywhere you turn

D

They re raining on your fire

C

You re searching for an answer

C

Your hands and tongue are tied

A

And everything that you thought you knew

A

Is buried deep alive

Pick: **D E E F**

You could take tomorrow

If you wanna

You should take tomorrow

But you gotta wanna

Em

You think you ve got it all

Em

The writing is on the wall

D

You re praying to your Lord

D

Searching for your soul

C

Cause you just need to know

C

The emptiness will go

A

In a moment

Em

I m looking in the mirror

Em

I m talking to myself

D

Stare at my reflection

D

And I look like someone else

C

Ask myself a question

C

And I face another day

A

So I look myself out in the eyes

A

And I tell myself again

Pick: **D E E F**

You could take tomorrow (all your life live in the moment x2)

If you wanna (all your life live in the moment x2)

You should take tomorrow (all your life live in the moment x2)

But you gotta wanna (all your life live in the moment x2)

Em

You think you ve got it all

Em

The writing is on the wall

D

You re praying to your Lord

D

Searching for your soul

C

Cause you just need to know

C

The emptiness will go

A

In a moment

Em
