Maybe one thing

Maybe something

Maybe nothing

All I know is friend

It s nothing new

Maybe it s me

What is to be

Maybe lucky

All, I ask is where

We re supposed to be

I give a lot

I take a lot

It s nothing new to me

Maybe you ve grown

Am I so wrong

How long s too long

All I want is us to be happy

Maybe moving

Always proving

Am I losing

All that s meant to be

That s meant to be

I give a lot

I take a lot

It s nothing new to me

Maybe laughing

Something lacking

Always sometimes

All I hear is how it s meant to be

Maybe learning always searching

Am I asking things I ll know too soon

I ll know to soon

We talk a lot

Don t do a lot

It s nothing new to me

I give a lot

I take a lot
It s nothing new to me
It s nothing new to me
It s nothing new to me
