

Moviestar
Stereophonics

.....MOVIE STAR - The Phonics.....

INTRO (bass, frets 10,3 and 8).

D5 G5 C5, D5 G5 C5

Repeat this pattern pretty much all the way through.

VERSE

Analyse tabloid lies
You go to war, you need a star
You re in my soul, you re in my mind
I walk on water every night

CHORUS:

When the chorus kicks in, stop playin power chords, and strum down, same rhythm:
D C G, D C G.

Movie star, dunno where you are
Movie star, dunno who you are

VERSE:

I love your taste, I love your shape
I love the things about you, all the critics hate
Fill my soul I once was blind
You turn my water into wine
Movie star, dunno where you are
Movie star dunno who you are

OUTRO:

You don t know what it s like (here)
You don t know what it s like (here)
You don t know what it s like (here)
Movie star, Movie star, Movie star, Movie star

Enjoy it!!
