Pick A Part Thats New
Stereophonics

Intro:

```
|A|D|A|D|  x2
|E|  |  |D|
```

v1
```
A                                               D
i ve never been here before didn t know where to go
                      E D
never met you before
A                                       D
i ve never been to your home that smells not unknown
                      E
foot steps made of stone
```

walking feels familiar

Ch:
```
A                 D
you can do all the things that you like to do
A               D
all around underground pick a part that s new
A                 D
you can do all the things that you like to do
A                 D                           E
all around upside down pick a part that s new
```

v2:
```
A                                               D
people drinking on their own push buttons on the phone
                        E   D
was i here once before
A                                               D
is that my voice on the phone that last drink on my own
                        E
did i ever leave at all
```

confusions familiar

(ch)

Inst:

```
|A|  |  |  |G|F|G|F |x2
|E|  |  |D|
```

(ch)

```
(E)                          D A
so what s new to you? (repeat)
```

(ch)

```
(E)                          D A
so what s new to you? (repeat)
```
