You're such a fool

See I'm a giver, taker!

You liked your cocaine chaser

The girls you love all sleep around

You got a piece of something

But what it's worth is nothing

Coz what you want you just can't buy

Pretend you're high on something

To think you think I'm dumb, you're blind

I'll get by fine without you

I lie about you
You got no spine only mine
Don t you know wrong from right
You got no style about you
I try to like you
I got no time for you now
Cos your time s running out

It s up to you
You re such a fool

I ll get by fine without you
I lie about you
You got no spine only mine
Don t you know wrong from right
You got no style about you
I try to like you
I got no time for you now
Cos your time s running out

It s up to you
It s up to you
Such a fool
It s up to you
