You said I gave you butterflies

**E F#m**

Then you flew out of my life

Versel:

**D A**

When I m beside you it s enough to blow my mind

**E F#m**

I heard you whisper that you wanted to be mine

**D A E F#m**

And I was always hoping that I could find someone like you(someone like you)

**D A**

The way you take my hand and the way you touch my face

**E F#m**

It got me thinking that I don t wanna be no other place

**D A E F#m**

It got me thinking that I have felt someone like you (someone like you)

Pre-Chorus:

**D**

But it ain t like that

**A**

Lets turn the time back

**E F#m**

To when you told me you had to take your heart back

**D**

You had me waiting
