

On Our Way  
Stereoside

(E)

We were 6 years old standing in the front row

(B)

(A)

Singing every word to every song it s true

(E)

We got the rock n roll rythm and blues

(E)

Well the record mans screaming that rock n roll s dead

(B)

Well we think that he should sell cars instead

(A)

(E)

He s a fool, they try to take away the things we hold true

(E)

(B)

So if you care about rock then sit right there we ll take your ass back

(A2)

To the early years where the jams were tight the kids could play

(A2)

The music didn t suck and the bands wern t gay

(E)

To Waylon and Willie

(E)

To Hank and Cash

(B)

To Page and Plant

(B)

To Axle and Slash

(A2)

A little bit of Alice N mother F\*\*\*ing Chains

(A2)

We miss you Layne, well He shure could sing

(E)

We ll be a hundred years old still in the front row

(B)

(A2)

Singing every word with our devil horns in the air

(A2)

(E)

Cause baby we were born to be here

(E)

We ll keep the record spinning all night long

(B)

(A2)

We ll kick and roll hard till the break of dawn with you

(E)

Cause that s what they would want us to do

(E)

(B)

So if you care about rock then sit right there we ll take your ass back

(A2)

To the early years where the jams were tight the kids could play

(A2)

The music didn't suck and the bands weren't gay

(E)

To Tyler and Perry

(E)

To the Brothers VanZant

(B)

From the Eagles to Elvis

(B)

To Stills and Nash

(A2)

With a little Kid Rock beat on the back

(A2)

And were on our way

(E)

Yeah they were Rock stars

(B)

Living life real large

(A2)

They were all residents on the cover of the Rolling Stone

(E)

They were all guitar slayers

(B)

They are Rock n Roll mayors

(A2)

They are stone cold pimps untill the early dawn

(E) (B) (A2)

Were on our way

(E)

Yeah

(E)

Yeah they were Rock stars

(B)

Living life real large

(A2)

They were all residents on the cover of the Rolling Stone

(E)

They were all guitar slayers

(B)

They are Rock n Roll mayors

(A2)

They are stone cold pimps untill the early dawn

(E) (B) (A2)

Were on our way

(E)

Yeah
