What You Mean To Me
Sterling Knight

Capo 8

```
B                    F#/B
Can t blame you for thinking
         G#m                 F#        Eadd9
That you never really knew me at all
B            F#/B
I tried to deny you
    G#m              F#              Eadd9
But nothing ever made me feel so wrong

F#                          B
I thought I was protecting you
      Eadd9
From everything that I go through
         G#m                 F#          Eadd9
But I know that we got lost along the way

B
Here I am with
Eadd9          G#m                      Eadd9
All my heart I hope you understand
   G#m            F# Eadd9
I know I let you down
but I m never
 G#m            F#          Eadd9
Gonna make that mistake again
C#m                     Ebm      Eadd9
You brought me closer to who I really am
C#m                     G#m
Come take my hand
Eadd9
I want the world to see
         B              F#/B
What you mean to me
        G#m              F# Eadd9
What you mean to me
```

Just know that I m sorry
I never wanted to make you feel so small
Our story is just beginning
But let the truth break down these walls (oh yeah yeah)

And every time I think of you
I think of how you pushed me through
And show me how much better I could be

(Chorus)

       Eadd9
You make me feel like I m myself
      B
Instead of being someone else
    F#/B   **G#m**
I wanna live that every day
     Eadd9
When you say what no one else Will say
      B
you know exactly how to get to me
    F#
you know it s what I need

B **F#/B**
     G#m   (**F#**) **Eadd9**
It s what I need yeah

(Chorus)
