

Say Hello To Goodbye  
Stetson Walker

**D**  
Whatâ€™d you do  
**A**  
You had it all  
**Bm** **A**  
And like a fool you let it fall  
**G**  
You lost it all  
**D**  
I hope you had some fun

**D**  
Now youâ€™re sittinâ€™ here  
**A**  
Drownin in  
**Bm** **A**  
A double shot of what mightâ€™ve been  
**G**  
Let me tell you friend  
**D**  
Itâ€™s only just begun

**Em** **Bm** **G**  
And while youâ€™re askinâ€™ yourself why  
**A** **D**  
Say hello to goodbye

**G** **D**  
Yeah Iâ€™d like to introduce you  
**G** **D**  
To lonesome days and lonely nights  
**G** **Bm**  
Yes youâ€™ll have to get used to  
**A** **G**  
All those tears in your eyes  
**A**  
Say hello to goodbye

**D**  
I hope you like  
**A**  
Waking up  
**Bm** **A**  
Staring there at your coffee cup  
**G**  
As the sun comes up  
**G**

On your table for one

**Em Bm**

**G**

Cause now all youâ€™ve got is time

**A**

**D**

Say hello to goodbye

**G**

**D**

Yeah Iâ€™d like to introduce you

**G**

**D**

To lonesome days and lonely nights

**G**

**Bm**

Yes youâ€™ll have to get used to

**A**

**G**

All those tears in your eyes
