Ill Find Me
Steve Azar

Capo 3

(**Em**-**G**-**D**-**Am**) x2
There ain t no (**Em**) street in this (**G**) town
Where the (**D**) memories don t lay (**Am**) thick on the ground (**Em**-**G**-**D**-**Am**)
(**Em**) And I (**G**) wander like a (**D**) ghost haunted (**Am**) by an angel (**Em**) heaven (**G**)
bound (**D**-**Am**)

(**G**) Heartbreak echoes off the walls of (**D**) motel rooms
(**G**) Emptiness is (**C**) filling up my (**D**) dreams
And the (**G**) best that I can hope for is that (**D**) someday I ll be free
(**Am**) Somewhere in this loneliness I ll find me
(**Em**-**G**-**D**-**Am**) x2

(**Em**) Lost in what s (**G**) left of my (**D**) world is a (**Am**) desert of bloom (**Em**-**G**-**D**-**Am**)
(**Em**) And the (**G**) mirrors in my (**D**) soul give me (**Am**) endless (**Em**) reflections of
(**G**) you (**D**-**Am**)
(**G**) Heartbreak echoes off the walls of (**D**) motel rooms
(**G**) Emptiness is (**C**) filling up my (**D**) dreams
And the (**G**) best that I can hope for is that (**D**) someday I ll be free
And (**Am**) somewhere in this loneliness I ll find me (**Em**-**G**-**D**-**Am**)
I ll find me (**Em**-**G**-**D**-**Am**)

(**Am**) Scaling stone walls, sailing waterfalls
(**C**) Many I might not make it all the way (**D**)
(**G**-**C**-**D**) x2
And the (**G**) best that I can (**C**) hope for is that (**D**) someday I ll be free
(**Am**) Somewhere in this loneliness I ll find me (**Em**-**G**-**D**)
(**Am**) I ll find me (**Em**-**G**-**D**)
(**Am**) I ll find me (**Em**-**G**-**D**-**Am**) (repeat and fade)
