

I Can Wait
Steve Earle

V-I

B G#m
In the blink of an eye
Ebm
Stars ll fall from the sky
F# B
Noone even notices
B G#m
If you think it would help
Ebm
I can walk ouy myself
F# B
And we won t have to go Through this
E F#
If I pretend to hold you tight
B B/G# G#m
And out on the highway late some night
Ebm F#
Thats all right
B G#m
If thats all that it takes
Ebm F#
Even if my heart breaks
B
Darlin I can wait
B G#m
I have nothing but time
Ebm
And this poor heart of mine
F# B
Probably could use some rest
B G#m
When the ghost all gone
Ebm
You can leave your light on
F# B
Shinin through the loneliness
E F#
Just like a beacon in the night
B B/G# G#m
Brighter than any star in Sight
Ebm F#
But thats all right
B G#m
For as long as it takes
Ebm

for the morning to break
