Steve Earle: Long Lonesome Highway Blues

Intro: **G C G D G**

Verse 1:

G **C** **G**
Bound down that Long Lonesome Highway, as far as I can go

D **G**
Till I out run, your memory

C **G**
I Can t go home, cause I can t face another day alone

D **G**
Now that your gone, this ain t no place for me

C **G**
I want to start, all over new

C **D**
But I can t lose, these Lonesome Highway Blues

G **C** **G**
Down that Lone Lonesome Highway, as far as I can go

D **G**
Till I out run, your memory

(instrumetal) **G C G D G** x2

Verse 2:

G **C** **G**
Bound down that Long Lonesome Highway, as fast as I can fly

D **G**
Just want to go, someplace you won t be

C **G**
I m movin on to a new place, and hold my head up high

Where no one knows, what you done to me

a thousand miles, between us now

and still some how, these blues have tracked me down

That Lone Lonesome Highway, as far as I can go

Till I out run, your memory

(insturmental) G C G D G C G C D G C G D G

Verse 3:

Bound down that Long Lonesome Highway, cause it s the only place I know

Ain t no clouds, hangin over me

Leave me alone, cause it s a long way no matter where I go

Nothin but blues, as far as I can see

I wish I had you back again, but I know I can t

So here I go again, down that Long Lonesome Highway, just as far as I
can go

Till I out run, your memory
