

Reconsider Me
Steve Earle

Artist: Steve Earle
Song: Reconsider Me
Album: Enjoy Every Sandwich: The Songs of Warren Zevon

From: seanr1983@gmail.com (Sean Rutherford)

An excellent cover of a great Zevon tune.
Couldn't find any tabs for this so I figured I'd try it myself.
This is the first time I've tried this....sorry if it's not any good.

Listen to the song to find where the chord changes are, although I tried to place them as accurately as possible. Hope this helps....Enjoy

On the CD this last section gets repeated and fades out. So end it how you like.
