We Shine- C#

VERSE 1:
```
      C#
We shine, we shine the light of God
             C#/A
And when we speak, we speak with words of Love
               B
And when we dance, we may get a little wild
               F#
Cause weâ€™re the people of God, yeah the people of God
             C#
And when we sing, we sing the angel songs
     C#/A
The ones their singing around the throne
                   B
Yeah, yeah, weâ€™ll worship the King with everything that we are
                 F#
Cause weâ€™re the people of God, yeah the people of God, yeah
```

And where the spirit of God is freedom rings
