[Verse]
G   **D**
Meet me in the middle of the day
        Em
Let me hear you say
C
Everything's OK.
Am7   **G**   **D**
Bring me southern kisses from your room.
G   **D**
Meet me in the middle of the night —
        Em
Let me hear you say
C
Everything's all right.
Am7   **G**   **D**
Let me smell the moon in your perfume.
C   **G**   **Am**   **D**
Oh, gods and years will rise and fall and there's always something more
C   **G**   **Am**   **D**
Lost in talk, I waste my time, and it's all been said before.
C   **G**   **Am**   **D**
While further down behind the masquerade, the tears are there.
C   **G**   **Am**   **D**
I don't ask for all that much — I just want someone to ca-a-a-are! That's
right, now!
G   **D**
Meet me in the middle of the day —
        Em
Let me hear you say
C
Everything's OK.
Am7   **G**   **D**
Come on out beneath the shining sun.
G   **D**
Meet me in the middle of the night —
          Em
Let me hear you say
C
Everything's all right.
Am7   **G**   **D**
Sneak on out beneath the stars and run! Yeah!

Oh, yeah, yeah!
```
C                          G                   Am          D
```
It's king and queen and we must go down, now, beyond the chandelier
```
C                          G                   Am                D
```
Where I won't have to speak my mind and you won't have to hear
```
C                  G                   Am            D
```
Shreds of news and after thoughts and complicated scenes.
```
C                  G                   Am                D
```
We'll weather down behind the light and fade like magazines!
Ah-yaya-yay! I ******* to go now!
```
G            D
```
Meet me in the middle of the day —
```
        Em

Everything's OK.
```
Am7                G                D
```
Bring me southern kisses from your room. Hey, hey!
```
G                D

```

Let me hear you say
```
C

Everything's all right.
```
Am7                G                D
```
Let me smell the moon in your perfume. Aw, now!
```
G                D
```
Meet me in the middle of the day —
```
        Em
```
Let me hear you say
```
C
```
Everything's OK.
```
Am7                G                D
```
Let me see you smiling back at me. He-e-ey!
```
G            D
```
Meet me in the middle of the night —
```
        Em
```
Let me hear you say
```

Everything's all right.
```
Am7                G                D

Hold me tight. In loving, love is free.
Ow, hey!
