

Walking Through Walls

Steve Hackett

Steve Hackett - Walking Through Walls

[Dm]

Time improves you or dilutes you
But there is no standing still
If you don't scream nobody hears you
If you won't fight then no-one will

When I m [F]walking
Walking through [Dm]walls
[F]
Walking through [Dm]walls

[Dm]

You can breathe under water
You will find it hard at first
Getting used to ritual slaughter
Feeling like your head might burst

When I m [F]walking
Walking through [Dm]walls
[F]Walking
Walking through [Dm]walls

[A]Bare your teeth and [D]bang your drum
[A]Get up on your legs and [E]start to run
[Bm]No no no you [G]can't sit down
[D]No-one's friend and [Em7]no-one's clown

[Dm]

You can't argue with a mad man
Age of reason's sinking fast
As your arms become steel girders
Crashing through a sheet of glass

When I m [F]walking
Walking through [Dm]walls
[F]Walking
