Verse 3

Judy Teen, we know where you've been, your ego's insane
To the cabaret where you'd schlep and sway on your cane
Seeking shelter, no helter skelter's gonna betray ya
Judy Teen, the queen of the scene, is coming to slay ya

Chorus

She took us on the carousel, she made us smile and oh, how we laughed
Together riding on a crest it was swell, we stole her face and oh, how we
laughed
She made us happy
