

**Winter Time**  
**Steve Miller Band**

A real easy and beautiful song. Chords (and lyrics) are the same throughout.

**Am**  
In the winter time  
**G**  
When all the leaves are brown  
**F**  
And the wind blows (so chill)  
**Am** **G** **F**  
And the birds have all flown for the summer  
**Am** **G** **F**  
I m calling, hear me calling, hear me calling
