

**Beginning Of The End**  
**Steve Moakler**

This is my first tab. Hope you like it.  
I didn't place the chord above the word where it has to be played.  
I just put it at the beginning of the line..  
Just listen to the song and figure out when to play the chord.  
Feel free to adjust this! Or tell me, then I will adjust it for you (:  
Good luck!

**C G**  
There's a phone call on a dark night  
**D Em**  
A long broken goodbye

Between what might be and what has been

And it's nothing like I planned it

The hand holds on while the heart is letting go
