[Verse 1]

G **D** **Em** **C**
The human heart is a scary part in fact
G **D** **Em** **C**
Cause I could break you and you could break me back
C **D**
Though my head says just forget it
C **D**
You ll get hurt and you ll regret it
Am **D** **G** **D** **Em** **C**
Ask me now and I won t hesitate

[Verse 2]

G **D** **Em** **C**
So many cards that never leave the deck
G **D** **Em** **C**
There comes a time when you have to place your bets
C **D**
And I ve never been a gambling man
C **D**
But if you want to see my hand
Am **D** **G** **D**
Ask me now and I won t hesitate

[Chorus]

Am **D**
Cause I m fearful of heights and you take me higher
Am **Bm**
What came with you was a view to admire
Am **D**
I ve always been the kind to contemplate
Am **D** **G**
But you like the kind that don t hesitate

Excuse me while I fall for you

Excuse me while I fall for you

[Verse 3]

G **D** **Em** **C**
I thought about it long and hard today
G **D** **Em** **C**
I realized I m standing in our way
C **D**
Usually my judgment s better
C **D**
But with your blue eyes, hey whatever
Am **D** **Em** **C**
Ask me now and I won t hesitate
Am **D** **G**
Ask me now and I won t hesitate
