Should be pretty close to 100% correct.
I tried to just listen to the song on the
cd and figure out the chords and I added
in some of the bass notes. Let me know if
there are any changes needed. Just play it
along with the cd to get the rhythm down.

Verse 1:

C **F** **Am**
You don t have to say a word
G
to speak to me
C **F** **Am**
You don t have to know what hurts
G
to heal me
F
Maybe that s the thing
Dm
Maybe that s the thing

Verse 2:

C **F** **Am**
I don t have to move my feet
G
to dance with you
C **F** **Am**
You don t have to look to see
G
that my love is true
F
Maybe that s the thing
Dm
Maybe that s the thing

Chorus :

F	Dm	C
---	----	---

Easy like a day goes by, you and I

C/B C/E F

Getting on our way like a lullaby

Dm Am

Like a steady rain when the ground is dry

Am/Bb Dm C F Am G (x2)

Every time we touch, that's the thing about us

Verse 3: Same as Verse 1. **C F Am G (x2) F Dm**

I don't need no crystal ball

To keep my faith

And I think we're both better off

With a little mystery

Maybe that's the thing

Maybe that's the thing

Verse 4: Same as Verse 1. **C F Am G (x2) F Dm**

I don't have to hold your hand

To feel you there

We don't really have a plan

But I'm not scared

Maybe that's the thing

Maybe that's the thing

Chorus:

F Dm C

Easy like a day goes by, you and I

C/B C/E F

Getting on our way like a lullaby

Dm Am

Like a steady rain when the ground is dry

Am/Bb Dm C F Am G (x2)

Every time we touch, that's the thing about us

Outro: **C F Am G**

That's the thing about us

That's the thing, that's the thing about us
