I Stand Alone
Steve Perry

Song is from the movie Quest for Camelot
I noticed these chords weren t anywhere to find, so I figured I d put them up.
This is my first time posting chords, and they are definitely subject to change,

but they work for me :)

The chords you need are:
```
     G   C   D   Em
e|-3---0---2---0---|
B|-3---1---3---0---|
G|-0---0---2---0---|
D|-0---2---0---2---|
A|-2---3---x---2---|
E|-3---x---x---0---|
```

```
    G                         C
I know the sound of each rock and stone
D                         G
And I embrace what others fear
G                             C
You are not to roam in this forgotten place
D                             G
Just the likes of me are welcome here
```

```
   C                     G
Everything breathes and I know each breath
     D
For me it means life
     G
For others it s death
       C
It s perfectly balanced
 G
Perfectly planned
D                         C    D
More than enough for this man
```

```
          G                   D
Like every tree stands on its own
D                         G
Reaching for the sky I stand alone
          Em              C
I share my world with no one else
```

```
         G  D
All by myself
           G
I stand alone

(cool little yodel)

C                             G
I ve seen your world with these very eyes
         D                 G
Don t come any closer, don t even try
       C                         G
I ve felt all the pain and heard all the lies
         D                         C    D
But in my world there s no compromise

           G                   D
Like every tree stands on its own
D                           G
Reaching for the sky I stand alone
             Em                  C
I share my world with no one else
           G    D
All by myself
            Em
I stand alone
           G    D              Em
All by myself I stand alone
             G    D         G
All by myself I stand alone
```
