Dave's Party Piece Steve Vai

NOTES:

fun.

This song is performed on a 7 string guitar.

He used the clean channel of his amp with a bit of gain from a Voodoo
Lab Sparkle Drive. Use a delay set to 320 BPM. Add in a bit of chorus.

The notes should be played in a staccato fashion using all downstrokes.

But.. that s just what he did.. do as you like.

What is tabbed out are the notes that you ll be playing, not the delay. Hav
