

Freak Show Excess Intro
Steve Vai

This is the guitar at the beginning that has the mild eastern sound to it. Also it's looped in the song (That means it constantly plays for a certain amount of time)

```
|-----|-----|
|-----5-----7--5-|-----5-----|
|-----6--6--7-----|-----6--6--7--4----|
|-----7-----|-----7-----5-|
|-0-----|-----0-----|

|-----5-----7--5-|-----5-----|
|-----6--6--7-----|-----6--6--4--6----|
|-----7-----|-----7-----|

```

Then, the more rocky riff kicks in. This is also looped for some time.

```
|-----|-----|

|--0-----0-----0-----0--0--0--|-----0-----0-----0-----|
|-----3-----3-----3--|-----0-3-0-3-----3-----|
```

Here's the 1st main lick that plays. This is played fast, so don't let the gaps between the numbers fool you to playing slow.

```

|-----5--8-----8/10--|
|-----6--7-----|
|--7--7-5br-7-----|

Heres the 2nd lick, its similar to the 1st on.

```

```

Now play lick 1 and 2 again.

Heres the more mild eastern sounding lick, that follows lick 1 and 2. This next lick can be called lick 3

```
