

Rescue me or bury me
Steve Vai

Okay, the majority of Vai requests have been for this song. Although I must disagree with those who think that this and Touching Tongues are the best songs on the album; what about Sex & Religion or Survive ? Those songs kick ass!

I didn t tab Touching Tongues because the rhythm track requires a 7-string guitar, and the lead requires delay and a WHAMMY pedal. I don t think the average guitarist has those things handy. :)

Anyway, all you need for this song is an acoustic guitar, an electric guitar, and a hell of a lot of patience! Some of the chords are a pain in the ass (or should I say fingers?).

Some notes on the way I do ascii tab: p - pull-off
h - hammer-on
v s in front of a chord - upstroke
nh - natural harmonic

It gets really orchestrated and complex after this.
 If all you really wanted was the intro, there it is. If you want more,
 ask me nicely.

Augmentations/Questions/CONSTRUCTIVE Criticism welcome!

Good luck,
