

Higher Love

Steve Winwood

Bb **F** **Dm** **C**
 Think about it, there must be higher love
Bb **F** **Dm** **C**
 Down in the heart and in the stars above,
Bb **F** **Dm** **C**
 Without it, life is wasted time.
Bb **F** **Dm** **C**
 Look inside your heart, i ll look inside mine
C **Dm**
 Things look so bad everywhere
C **Am** **Bb**
 In this whole world, what s fair?
C **Dm**
 We walk blind and we try to see
C **Am** **Bb**
 Falling behind in what could be.
Bb **F** **C** **Dm**
 Bring me a higher love
Bb **F** **C** **Dm**
 Bring me a higher love,
Bb **F** **C** **Dm**
 Bring me a higher love
Bb **F** **Dm** **C**
 Where s this higher love, i ve been thinking of?
Bb **F** **Dm** **C**
 Worlds are turning and we re just hanging on
Bb **F** **Dm** **C**
 Facing our fear, standing out there alone
Bb **F** **Dm** **C**
 Oh a yearning, and it s real for me
Bb **F** **Dm** **C** **(Dm)**
 There must be someone who s feeling for me
C **Dm**
 Things look so bad everywhere
C **Am** **Bb**
 In this whole world, what s fair?
C **Dm**
 We walk blind and we try to see
C **Am** **Bb**
 Falling behind in what could be
Bb **F** **C** **Dm**
 Bring me a higher love
Bb **F** **C** **Dm**
 Bring me a higher love,
Bb **F** **C** **Dm**
 Bring me a higher love
Bb **F** **Dm** **C**

Where s this higher love, i ve been thinking of? (2x)

(**Dm** **C** **Bb**)

I will wait for it, i m not too late for it

Until then, i ll sing my song

(**Dm**)

To cheer the night along

C

I could light the night up with my soul on fire

Bb

I could make the sun shine from pure desire

Bb **F** **Eb** **Bb**

Let me feel the love come over me

Bb **F** **Bb** **C** (**C**)

Let me feel how strong it can be

Bb **F** **C** **Dm**

Bring me a higher love

Bb **F** **C** **Dm**

Bring me a higher love, oh

Bb **F** **C** **Dm**

Bring me a higher love

Bb **F** **Dm** **C** (**Bb F C Dm**)

I could rise above for this higher love

Bb **F** **C** **Dm**

Bring me a higher love

Bb **F** **C** **Dm**

Bring me a higher love, oh

Bb **F** **C** **Dm**

Bring me a higher love

Bring me a higher love.
