

Higher Love
Steve Winwood

Think about it, there must be higher love B F# Ebm C#
 Down in the heart and in the stars above, B F# Ebm C#
 Without it, life is wasted time. B F# Ebm C#
 Look inside your heart, i ll look inside mine C# Ebm
 Things look so bad everywhere C# Bbm B
 In this whole world, what s fair? C# Ebm
 We walk blind and we try to see C# Bbm B
 Falling behind in what could be. B F# C# Ebm
 Bring me a higher love B F# C# Ebm
 Bring me a higher love, B F# C# Ebm
 Bring me a higher love B F# C# Ebm
 Where s this higher love, i ve been thinking of? B F# Ebm C#
 Worlds are turning and we re just hanging on B F# Ebm C#
 Facing our fear, standing out there alone B F# Ebm C#
 Oh a yearning, and it s real for me B F# Ebm C# (Ebm)
 There must be someone who s feeling for me C# Ebm
 Things look so bad everywhere C# Bbm B
 In this whole world, what s fair? C# Ebm
 We walk blind and we try to see C# Bbm B
 Falling behind in what could be B F# C# Ebm
 Bring me a higher love B F# C# Ebm
 Bring me a higher love, B F# C# Ebm
 Bring me a higher love B F# C# Ebm
 Bring me a higher love B F# Ebm C#

Where s this higher love, i ve been thinking of? (2x)

(**Ebm** **C#** **B**)

I will wait for it, i m not too late for it

Until then, i ll sing my song

(**Ebm**)

To cheer the night along

C#

I could light the night up with my soul on fire

B

I could make the sun shine from pure desire

B **F#** **E** **B**

Let me feel the love come over me

B **F#** **B** **C#** (**C#**)

Let me feel how strong it can be

B **F#** **C#** **Ebm**

Bring me a higher love

B **F#** **C#** **Ebm**

Bring me a higher love, oh

B **F#** **C#** **Ebm**

Bring me a higher love

B **F#** **Ebm** **C#** (**B** **F#** **C#** **Ebm**)

I could rise above for this higher love

B **F#** **C#** **Ebm**

Bring me a higher love

B **F#** **C#** **Ebm**

Bring me a higher love, oh

B **F#** **C#** **Ebm**

Bring me a higher love

Bring me a higher love.
