

Horizon

Steve Winwood

**Gm F Dm C Gm F**  
Horizon in the distant sky

**Dm C Gm F Dm C**

The steady line fixed my eye

**Gm F Dm C**

For a million miles

**Gm F Dm C Gm F Dm C**  
Long quiet of the afternoon

**Gm F Dm C**

Dripping lights of evening

**C Gm F**  
I'm no longer blue

**Csus2 Bbsus2 F G5**  
There's a lamp If you've lost your way

**Csus2 Bbsus2 F G5**  
Stars to guide Soft fields to lay

**Gm F Dm C Gm F**  
Safe harbour from a restless sea

**Dm C Gm F Dm C**

Deep pools of silence calm me

**Gm F Dm C**

So I can be

**Gm F Dm C**

Wind whispers

**Gm F Dm C**

The fog has cleared

**Gm F Dm C**

The sound of sacred music

**Gm F Dm C**

That I long to hear

**Csus2 Bbsus2 F G5**  
I am here to the very end

**Csus2 Bbsus2 F G5**

No more anxious thoughts within

**Gm F Dm C Gm F Dm C**  
New seasons pass in front of me

**Gm F Dm C Gm F Dm C**

Now there's a world where I find I can smile at thee
