

Horizon

Steve Winwood

Bm A F#m E Bm A
Horizon in the distant sky
F#m E Bm A F#m E
The steady line fixed my eye
Bm A F#m E
For a million miles

Bm A F#m E Bm A F#m E
Long quiet of the afternoon
Bm A F#m E
Dripping lights of evening
E Bm A
I'm no longer blue

Esus2 Dsus2 A B5
There's a lamp If you've lost your way
Esus2 Dsus2 A B5
Stars to guide Soft fields to lay

Bm A F#m E Bm A
Safe harbour from a restless sea
F#m E Bm A F#m E
Deep pools of silence calm me
Bm A F#m E
So I can be
Bm A F#m E
Wind whispers
Bm A F#m E
The fog has cleared
Bm A F#m E
The sound of sacred music
Bm A F#m E
That I long to hear

Esus2 Dsus2 A B5
I am here to the very end
Esus2 Dsus2 A B5
No more anxious thoughts within

Bm A F#m E Bm A F#m E
New seasons pass in front of me
Bm A F#m E Bm A F#m E
Now there's a world where I find I can smile at thee
