I m the same boy I used to be.

Love songs fill the night  
but they don t tell it all  
Not how lovers cry out  
just like they re dying  
Her cries hang there  
in somewhere  
Someday some good wind  
may blow her back to me  
Some night I may hear  
her like she used to be  
No it can t be that warm  
with the wind in her arms

Valerie, call on me.

Call on me, Valerie.

Come and see me.

I m the same boy I used to be.
