

Welcome To My Paradise
Steven & Coconut Treez

[Intro]

Eb Gm Fm Bb

Eb **Gm**
Come and take a look out through my eyes
Fm **Bb**
And you decide why people act this way
Eb **Gm**
People thieving, fighting, telling lies
Fm **Bb**
They criticize and hate each other

Eb **Gm**
Nature colors all have changes some how
Fm **Bb**
The seas are brown the skies are thick and grey
Eb **Gm**
All of these things make me feel so down
Fm **Bb**
And think about finding my own place

G#
A place where we can toast and drink
Eb
A place where we can share and some weed
G#
A place where thereâ€™s no bullshit and...
Bb
every body can come

[chorus]

Eb **Bb**
Welcome to my paradise
Cm **G#** **Bb**
Where this sky so blue Where the sunshine so bright
Eb **Bb**
Welcome to my paradise
Cm **G#** **Bb** **Eb**
Where you can be free Where the party never ending
