

**Bring It On**  
**Steven Curtis Chapman**

Intro:

C/D D D/C C/D

**A** **A/Bb**  
I didnt come looking for trouble  
**A** **A/Bb**  
And I dont want to fight needlessly  
**A** **A/Bb**  
But im not going to hide in a bubble if trouble comes for me

\*Play the intro riff\*

**A** **A/Bb**  
I can feel my heart beeting faster  
**A** **A/Bb**  
I know somethings coming down  
**A** **A/Bb**  
But if its going to make me be stronger  
Then bring it on **D C D Bb C** let the lightning flash  
let the thunder roll **A Bb**  
let the storm winds blow **G A**  
Bring it On **F G Bb C** let the trouble come  
Let the hard rain fall **A Bb**  
let it make me strong **G A** Bring it on

The second verse is the same as the first  
The second chorus is the same as the first  
The bridge is the intro riff with slight variation

**A** **A/Bb**  
Now I dont want to sound like some hero  
**A** **A/Bb**  
Cause its God alone that my hope is in  
**A** **A/Bb**  
But Im not going to run from the very things  
That would drive me closer to him **B C**  
**C# DDD DDD**  
So bring it on

Then the chorus  
Then the bridge  
The end is **G A A#**
