C#

Bbm

And the pain falls like a curtain

F#

On the things I once called certain

Bbm

G#

And I have to say the words I fear the most

F#

I just donâ€™t know

Bbm

And the questions without answers

F#

Come and paralyze the dancer

Bbm

G#

So I stand here on the stage afraid to move

F#

C#/F

Afraid to fall, oh, but fall I must

E

A

On this truth that my life has been formed from the dust

Chorus:

C#

Bbm

God is God and I am not

G#

F#

E*

B/D#

I can only see a part of the picture Heâ€™s painting

C#

Bbm

God is God and I am man

G#

F#

So Iâ€™ll never understand it all

E*

B/D#

C#

For only God is God

And the sky begins to thunder

And Iâ€™m filled with awe and wonder

â€™Til the only burning question that remains

Is who am I

Can I form a single mountain

Take the stars in hand and count them
Can I even take a breath without God giving it to me
He is first and last before all that has been
Beyond all that will pass

A **B**
Oh, how great are the riches of His wisdom and knowledge
C#m **A** **F#m** **D5**
How unsearchable for to Him and through Him and from Him are
B5
all things

C#m **F**
So let us worship before the throne
E **A**
Of the One who is worthy of worship alone

Chorus
