Intro

**Fmaj7 C** (x2)

Verse 1:

```
                Fmaj7  
How do you explain,  
                C  
How do you describe,  
                        Fmaj7  
A love that goes from east to west,  
                        C  
And runs and deep as it is wide?
```

```
                Fmaj7  
You know all our hopes  
                        C  
Lord, you know all our fears  
                Fmaj7  
And words cannot express the love we feel  
                        C  
But we long for You to hear
```

Chorus:

**Fmaj7**      **G6**

So listen to our hearts

**C**

Hear our spirits sing

**Fmaj7 G6**

A song of praise that flows

**C**

From those You have redeemed

**Fmaj7**

We will use the words we know

**G6 C Cmaj9 Am**

To tell You what an awesome God You are

**Fmaj7**

But words are not enough

**G6**

To tell You of our love

**C**

So listen to our hearts

Verse 2:

**Fmaj7**

If words could fall like rain

**C**

From these lips of mine

**Fmaj7**

And if I had a thousand years

**C**

I would still run out of time

**Fmaj7**

So if You listen to my heart

**C**

Every beat would say,

**Fmaj7**

**G6**

**C**

Thank You for the Life, thank You for the Truth, thank You for the Way

[Chorus]
