[Verse 1]

Em C
You were a sailor a long time ago.
Em D
Somewhere along the way you get caught in the snow.
Em C Em D Em
Turn around and feeling nice. They know what you have become.
Em C
Scattered morns donâ€™t mean that much to them
Em D
Standing there with a shit eating grin
Em C Em D Em
Eat it up because theyâ€™ll eat you. They know what you have become.

[Interlude]

[Verse 2]

Em C
Riches there across the window shade
Em D
From the paths that the masters paved
Em C Em D Em
Blocking the sun so it wonâ€™t shine. They know what you have become.
Em C
Alert the men. Thereâ€™s going to be a storm.
Em D
Heavier than any of this. Itâ€™s going to drop like an arm gone numb.
Em C Em D Em
Theyâ€™ll come wearing scary masks. They know what you have become.
Em C
Press the key and then we fly.
Em D
Just like an eagle turning in the sky.
Em C Em D Em
Pillars fall upon the snake in the grass. They know what you have become.

[Interlude]

[Verse 3]

Em C

Naked feet wide open grips.

Em **D**
Searching for a reason to release it from their hips.
Em **C** **Em** **D** **Em**
Theyâ€™ll come wearing scary masks. They know what you have become.

Em **C**
It was stellar, the performance shown.

Em **D**
But the rumbling noise had vaunty grown.

Em **C** **Em** **D** **Em**
Turn around and feeling nice. They know what you have become.
