C7+                   F7+
I guess I ll have to face
C7+                  F7+
That in this awful place
C7+                 F7+      E7
I shouldn t show a trace of doubt
Am7                       D7
But pulled against the grain
Am7               D7
I feel a little pain
Am7             D7        F7+
That I would rather do without

           F7+  Fdim         C7+   D7     F7+
I d rather be free,         free           free
           F7+  Fdim          C7+   D7     F7+
I d rather be free,         free           free

F7+   Fº          C7M    D7        F7+
free,                free           free
