

Let's Only Think About Love
Steven Universo

Dm **A#** **C**
Mom was a Diamond who invaded Earth
F **Dm** **Gm** **A**
Saw it s beauty and it s worth
Dm **A#** **C**
Mom made an army and she fought herself
Dm
Did that even end up mattering
A
When she faked her own shattering?

Dm **A#** **C**
Mom lived in hiding by the name of Rose
F **Dm** **Gm** **A**
With the friends she d made and the form she chose
Dm **A#** **C**
Now all that s left of her exists in me
Dm **A**
And I think that we can all agree
A# **Dm**
That is a little bit upsetting
Gm **C**
I d rather think about a wedding!

C
Let s think about cake
F
Let s think about flowers
C
Let s think about dressing up
F
And dancing around for hours
F7 **A#** **C**
There s an awful lot of awful things
Am **D7(9-)**
We could be thinking of
Gm7
But for just one day
C **F**
Let s only think about love!

C
We could think about lies
F
That we told in the past
C
We could think about hurt feelings

F
And how long they can last

C
Or we could think about hope

F
You know I've been hoping

F7 **G**
That everything's better now

G/B **C**
Everything's now in the open

C
We could think about flowers

F
We could think about cake

C
We could think about wonderful promises

F
We have the power to make

F7 **A#** **C**
There's an awful lot of awful things

Am **D7(9-)**
We could be thinking of

Gm7
But for just one day

C **F**
Let's only think about love!

C
We could all rethink

F
How we feel about Rose

C
When it comes to Pink

F
And the things that she did in the past, I suppose

C
Or we could both feel better

F
Cause we could think about how

F7 **G**
We could think about us

G/B **C**
And we could think about now

F **F7** **A#** **C** **FM7**
Hmm but for just one day let's only think about

A
We could think about war

Dm
We could think about fighting

A
We could think about long lost friends

Dm

We wish we were inviting

A

We could think about the broken gems

Dm

In The Cluster in the planet s core

D/C

Gm7

Or we could think about the bubble we made

Am7

So that they can t be hurt any-

G

G/B

They can t be hurt anymore

G

We could think about joy

C

We could think about pain

G

We could think about sunshine

C

We could think about rain

A

F

G

There s an awful lot of awful things

Em

A7

We could be thinking of

F

But for just one day

G

Let s only think about

F

Just one day let s

G

Only think about

F

Just one day let s

G

Only think about

C

Love!
