

Supposed To Do
Stevie Appleton

C#m E

[Verse 1]

C#m G#m
I was a stranger
G#m F#
I used to walk back then
C#m
Free of reminders
G#m F#
A little wild again
C#m
I didnâ€™t know you, oh yeah
G#m F#
You just pulled me in
C#m
Now I shouldnâ€™t be here
G#m
Without your love
F#
Without your love
E
Without your love

[Pre-Chorus]

E F# B E
I can see the sunlight there waiting for me
F#
The summer nights were long and wild
N.C.
Oh, tell me

[Chorus]

C#m G#m F#
What am I supposed to do, supposed to do, supposed to do
F#
Without your love?
C#m G#m F# G#m
What am I supposed to do, supposed to do, supposed to do
C#m
Without your love?
