VERSE:

C Bb  
It was many and many a year ago

C Bb  
In a kingdom by the sea

C Bb  
That a maiden lived whom you may know

F G  
By the name of ANNABEL LEE

C Bb  
This maiden she lived with no other thought

F G Bb C  
Than to love and be loved by me.

VERSE:

C Bb  
She was a child and I was a child

C Bb  
In this kingdom by the sea

C Bb  
We loved with a love that was more than a love

F G  
I and my Annabel Lee

C Bb  
With a love that the winged angels of heaven

F G Bb C  
They coveted her and me.

CHORUS:

**C** **F**  
 And the moon never beams  
**G** **F**  
 Without bringing me dreams  
**G** **F**  
 And the sun never shines  
**G** **F**  
 But I see the bright eyes  
**G** **F** **G** - **Bb** **C** **G**  
 I lie down by the side

VERSE:

**C** **Bb**  
 The angels, not half so happy in heaven  
**C** **Bb**  
 Went envying her and me  
**C** **Bb**  
 That was the reason as all men know  
**F** **G**  
 In this kingdom by the sea  
**C** **Bb**  
 The wind came out of the cloud by night  
**F** **G** **Bb** **C**  
 Killing my, my Annabel Lee.

CHORUS:

**C** **F**  
 And the moon never beams  
**G** **F**  
 Without bringing me dreams  
**G** **F**  
 And the sun never shines  
**G** **F**  
 But I see the bright eyes  
**G** **F** **G** - **Bb** **C** **G**  
 I lie down by the side

INTERLUDE: 2:50 to 3:10 (Timing is everything)

**Dm** **A** **Dm** **C** **Bb**  
**Dm** **G** **C** **A**  
**Dm** **G** **Am** **F** **Bb** (**C**)

VERSE:

**C** **Bb**  
 But our love it was stronger by far than the love  
**C** **Bb**  
 Of those who were older than we  
**C** **Bb**

Many far wiser than we

**C** **Bb**

Neither the angels in heaven above

**C** **Bb**

Nor the demons down under the sea

**C** **Bb**

Ever dissever my soul from the soul

**F** **G**

Of the beautiful Annabel Lee.

CHORUS:

**C** **F**

And the moon never beams

**G** **F**

Without bringing me dreams

**G** **F**

And the sun never shines

**G** **F**

But I see the bright eyes

**G** **F** **G**

I lie down by the side
