VERSE:
```
D                             A
```
I got to sing I got to dance
```
                              Em
```
I got to be a part of a great romance
```
           D
```
Still forbidden
```
          G
```
Still outrageous
```
        D            A
```
Only a few around us knew
```
    Em                         A
```
But no one said a word it was contagious

```
D                               A
```
Looked out the window as we watched the cars fly by
```
Em                  D
```
I look at you and I start to cry
```
          G       D            A
```
What you did was   you saved my life
```
Em        A       Asus2  A
```
I wont forget it

```
G                 D
```
You said even if I left my girlfriend
```
A                   Em          A
```
Packed up my stuff loaded up my car

```
Em                                                D
Drove down to your house with good intentions
                     A
Came through your door
                G
For what it s worth

INSTRUMENTAL BREAK: F C D  D

VERSE:
D                              A
I got to love I rode the rails
                                  Em
You came with me because you cared
                      D
I was broken I was scared
                          G
You held my hand and took away my fear
      D                A         Em          A  Asus2 A
We knew it couldn t last and that was hard

D                                A
Looked out the window as we watched the cars fly by
Em                       D
I look at you and I start to cry
          G         D                A
What you did was     you saved my life
Em        A       Asus2   A
I wont forget it

G                     D
You said even if I left my girlfriend
A                      Em           A
Packed up my stuff loaded up my car
Em                                        D
Drove down to your house with good intentions
