VERSE:

A

What happened to her?

D

I thought she was here

A

Through the eyes of love

G

I saw her through her tears

A

I saw her smile

D

I saw her move on

G

D

Like a ghost through the fog

A

The ghost is gone

VERSE:

A

What happened to them?

D

I thought it was here

A

Through the eyes of a child

G

After all these years

A

He wasn't true

D

He wasn't clear

G

D

Oh not even to his song

A

The ghosts are gone

BREAK:

D

Gone are the ghosts

A

Now forgotten, yeah

G

Gone is the lost world

D

It's easy to change

D

Gone are the lost girls

G

D

Gone are the lost girls

A

The girls went home

VERSE:

A

What happened to them

D

They opened their doors

A

They walked right through

G

They knew it was wrong

A

Wrong to be swept away

D

To think they belonged

G

D

There was only sadness

A

The boys are gone

BREAK:

D

Gone are the ghosts

A

Gone is the lost world, yeah

G

You re too crazy to change

D

But never forgotten

D

Gone are the lost girls

G

Gone are the lost girls

D

Gone

A

The girls went home

VERSE:

A

What happened to him?

D

I thought he was here

A

Through the eyes of love

G

I saw him through his tears

A

I saw him smile

D

I saw him move on

G

Like a ghost through the fog

D

A ghost through the fog...

ghost through the fog

A

The ghost are gone

A

I saw him smile

I saw him move on

Like a ghost through the fog

And the ghost is gone

D

What happened to him?

I thought he was here

Through the eyes of a child

A

I saw him disappear

A

He wasn't clear
Not even to his song

G

The ghost is gone

A

The ghosts are gone

PLAY INTRO THROUGHOUT UNTIL END:

Ghost through the fog
Like a silver shadow
Gone wrong
Like a ghostly whisper
She's gone
Like a silvery rainbow
Like a ghost through the fog
Like a ghost through the fog
Like a golden rainbow
Like a golden rainbow
Like a song
Like a ghostly whisper
Gone wrong
Like a silvery rainbow
Goin' down
Goin' down
